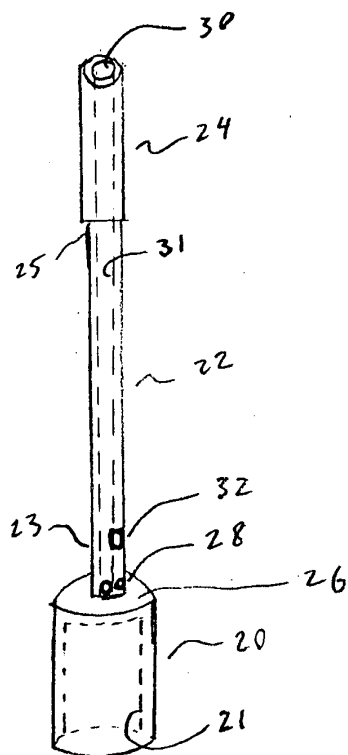

FIG. 2

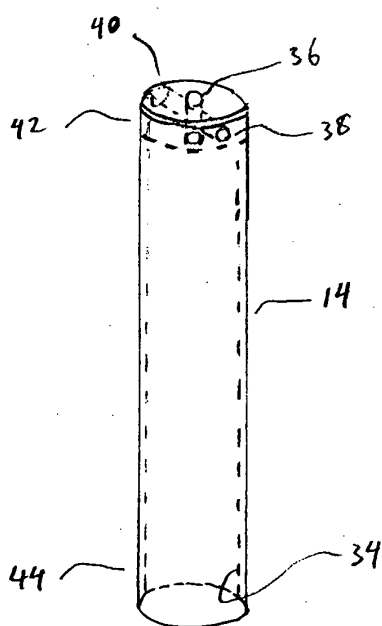

FIG. 3

A hand-drawn schematic diagram of a rectangular device. On the left, a vertical strip is labeled 52 at its top and 54 along its length. It features a series of small circles. To the right is a larger rectangular body labeled 16. Its top-left corner is labeled 46 and its bottom-left corner is labeled 56. The right edge is labeled 58. The height of the body is indicated by a vertical dimension line on the right labeled L. The width is indicated by a horizontal dimension line at the bottom labeled W. The bottom edge is labeled 50. Inside the body, there is a grid of small circles labeled 48, with a bracket below it.
